

THE HARVEST IS PLENTEOUS IN...

LESOTHO

...BUT THE LABORERS ARE FEW.

Lesotho—a sovereign country embedded in South Africa—is home to over two million people. It is slightly smaller than Maryland and open for evangelism!

- Pronounced Les-sue-too
- Predominate languages: Zulu, Sotho, English, and Xhosa
- Nominal Christianity is present, but doctrines, including salvation, are often perverted.
- Over 35 dialects without a Bible translation
- Life expectancy is 53 years
